Chief Operating Officer

10 years back, equipped with tools of knowledge, foresight and strategy, Shifa International Hospital Faisalabad was established as an extension of Shifa International Hospitals Ltd. Islamabad with this venture, Faisalabad the third largest city of Pakistan and its adjoining cities were brought closer to the much needed healthcare services delivered in an efficient and cost effective manner. Ensuring compassionate and efficient provision of the right healthcare service at the right time and by the right person forms the essence of quality in healthcare. It is a privilege to bring people closer to the best team of Doctors, nurses and allied health professionals supported by the latest technology in healthcare, in their own city. At Shifa International Hospital Faisalabad, we encourage a culture of strong ethics meaning operating with integrity and transparency in our decisions and actions. We help to foster a workplace which is safe and positively influences the lives of our teams, customers and the community where we work.

Withstanding the challenges of time, especially during the covid pandemic, Shifa International Hospital Faisalabad continued its services provision to ensure continuity of care for the people. We have successfully emerged from these trying times and are strongly geared for the future with lessons learned. Armed with the knowledge and experience, a comprehensive services profile and one among the best teams in the country, Shifa International Hospital Faisalabad is already established as a benchmark for quality services provision. We will continue our quest to make quality healthcare accessible for the residents of Faisalabad & adjoining Cities.

About SIH Faisalabad

Shifa International Hospital Faisalabad was inaugurated on 28th August 2011, and has since been providing quality care services to the residents of Faisalabad, its surrounding territories and even international patients.

Shifa International Hospital Faisalabad patronizes the same care & compassion, as adopted and practiced at Islamabad to expand outreach of quality health services to the masses.

Shifa International Hospital Faisalabad provides Medical, Pharmaceutical, Surgical, Preventive and 24 hours Diagnostic healthcare solutions under one roof, taking great pride in our service quality and hospitality. Shifa International Hospital Faisalabad is fully accredited by Punjab Healthcare Commission Lahore, and also certified by ISO 9001:2015.
